

First Friday *presents a unique Workshop*

# Focus *Your* Mission and Vision with *Beth Taylor*

Do you know who you are and what you are meant to do on this earth? We hear so much about answering God's call, but *how do we know what it is?*

Laurie Beth Jones National Training Specialist and Professional Coach, Beth Taylor, will walk you through *The Path* process as you create your mission statement for work and life. You'll discover just what purpose is already planted inside of you and step into living that mission.

You'll love this workshop and process, as it is filled with personal insight and application for your life. Ask one of the First Friday Team members who have completed *The Path*, and they'll be happy to share what to expect and what you can receive.
